maker flex **kidS**

a table that adjusts to the size of all your makers

the "just right" size

3branch maker flex **kidS** tables bring durability, mobility, and height adjustability to any space. The table can be lowered easily to 24" high, the perfect height for preschoolers. It can easily be adjusted back to a standard height for adult use.

choosing your table is as easy as 1-2-3

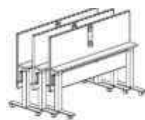

choose your flex option

adjustable height from 24" to 34" with flip-top & nesting

Adjustable height from 24" to 34"

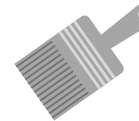

fixed 24" height / flip-top & nesting

Fixed 24" height

choose a leg finish

choose a table top surface
