2024 Kurve
Computer Table
Specifications

General Information

Kurve Round Computer Tables offer a simple uncluttered grouping for computer stations. Table top and base are available in many different laminate finishes. The base has an access door allowing for easy set-up, power and data access, and clean wire management. Optional: Privacy divider panels between stations.

Kurve Round Computer Table Standards:

Fixed Height Worksurface available in 26", 29" & 36" AFF (above finished floor)
Worksurface is 1" thick MDF with laminate surface & 2mm Brushed Stainless
Klearview edge banding
Grommets, wire management & power access included
Standard Laminates include Wilsonart, Formica, Pionite and Nevamar
Optional Acrylic privacy divider panels

shown with discovery ottomans

| ITEM#	DESCRIPTION	DIAMETER	HEIGHT
