

kurve computer table

Kurve computer tables offer a simple uncluttered grouping for computer stations that are perfectly suited for solo work or sharing. Tables are compact, yet the round shape offers room for two or three to gather at each computer station.

Choose your size, height, finishes, and options. Contact us and we can help you design your perfect kurve computer table!

specialized utility space for all sizes

Tops are available in 3 diameters: 48", 60", and 72"

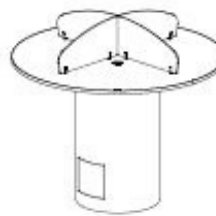

Bases are available in 3 heights: 26", 29", and 36":
(shown below in 60" diameter with shrouds)

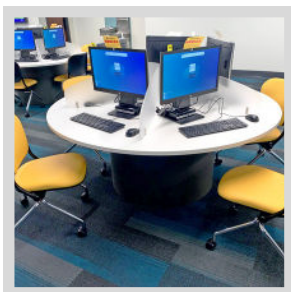

26" junior height

29" standard height

36" counter height

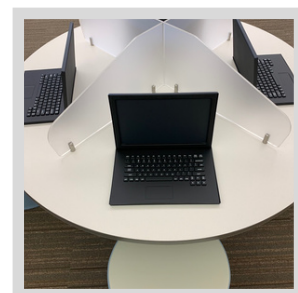

Finishes to fit.

Select from a variety of high-pressure laminates from WilsonArt, Pionite, Formica and Nevamar for the surface and drum base. Solid surface and wood veneer surfaces are also available.

Screens to define the work space.

Frosted 3/8" thick acrylic screens are standard.
3form panels are also available.

Drum base to keep wires tidy.

The drum base with a built in access panel offers wire management storage. In-surface power or grommets are optional.

Ottomans for seating.

Ottomans for the junior height are lightweight and can be tucked away and rearranged easily. Upholstered in Naugahyde, durable and available in a variety of colors, ottomans complete the grouping.
