magstak™ counter display
## assembly instructions
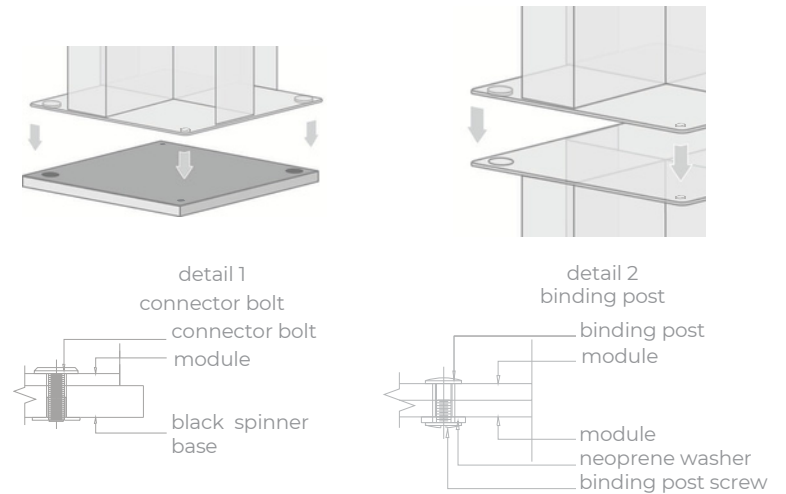

1 Remove items from packaging and check packing slip for proper contents and quantity.

magstak™ module (2)

2-sided sign (2 pieces)

spinner base (1)

rubber pad (4)

optional
4-sided sign (2 pieces)

sign   sign

2 Attach rubber pads on metal plate on the bottom of the spinner base using the smallest holes as placement markers.

spinner base bottom

3 Stack one magstak™ module on top of the spinner base using the alignment disks that set into alignment ports as shown below.
