

discovery mini™

compact design and clever storage makes any space, a discovery space

Half the size and all the fun! The compact “mini” includes four play surfaces, storage, and mobility features so you can bring the **Power of Play** to any space in your library.

3branch.com/product/discovery-mini-activity-table

Discovery Mini complete kit features:

- two reversible activity tops provide four play surfaces (building brick, train track, pegboard, flat hardwood)
- clever storage for second reversible play surface
- side bins and acrylic liners for easy access to toys and storage
- locking casters and solid Baltic birch plywood construction
- no assembly required
- for smaller footprint needs, available without side bins

swap, store, and play - four tops included
