**WEDGE CLASSIC**

Wedge Classic Tables are individual, mobile workstations with lockable casters, available in 29" & 26" heights. The unique, soft triangle shape allows for multiple configurations in linear or non-linear arrangements. Wedge Classic Tables have round, powder coated legs, a grommet, and include wire management hooks. Options include leveler glides and power units. Wedge Privacy Tables have a one-piece 10" high frosted acrylic divider which wraps around the table edge and is secured to table top with brushed stainless brackets.
