

Magnetic Sign Holder Components:

Qty (3) - **double-sided
sign holder**

Qty (3) - **magnetic
sign holder bracket**

Simple Installation:

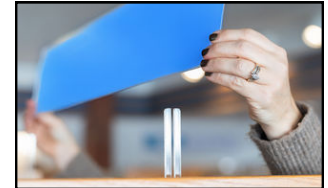

1- Place **magnetic sign holder bracket** on the top cross bar of the steel shelving unit.

2- Insert sign graphic(s) into opening of the **double-sided sign holder**. Note sign insert provided by customer.

3- With sign graphic inserted, place **double-sided sign holder** into the slots of the **sign holder bracket**.

4- Align the bottom cutout notches of **sign holder** to each vertical end of the **sign holder bracket** to help prevent side-to-side slipping.
