

description

The Discovery Mini is a versatile, mobile activity table designed for preschool-aged children. With a compact footprint and two available models, it offers a complete, self-contained play and learning experience to meet storage and space needs.

product features

- **Durable Construction:** Made from high-quality Baltic birch wood for long-lasting use.
- **Smooth & Safe:** Beveled and sand-softened edges ensure safety.
- **Interchangeable & Reversible Tops:** Features multiple play surfaces for diverse activities.
- **Built-in Storage:** two options available to accommodate storage and organization needs
- **Mobility & Safety:** Equipped with locking casters for effortless movement and stability
- **No Assembly Required:** Ready to use right out of the box.
