

PRODUCT FEATURES

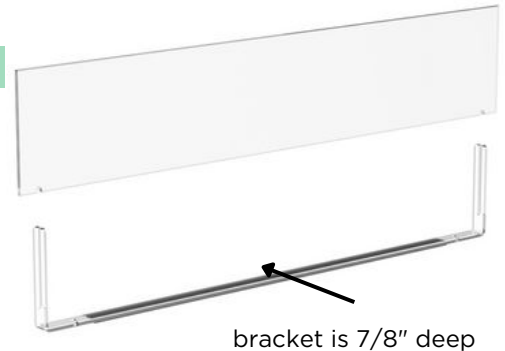

A coordinating line of signage products designed to make collection browsing more engaging, with products like Magnetic Shelving and Countertop sign holders.

- Crafted from crystal-clear, cast acrylic. Made in the U.S.A.
- Matte finish for non-glare quality.
- Polished edges.
- Easy to install (no tools required).
- Available in 4 sizes. Matching sizes across both product lines for uniformity.
- Graphic insert(s) provided by customer.

magnetic sign holder

A two-piece, double-sided sign holder with magnetic bracket. Designed for flexibility and ease of use. Suitable for single-faced and double-faced steel shelving units.

- Includes bracket with magnetic strip and double-sided acrylic sign holder
- Features notches in bottom edge of sign holder to prevent slipping
- Option for permanent installation (request details: info@3branch.com)
- **Sold 3 to a carton**
