

face-out display

Easily merchandise library shelving & enhance circulation!

Give your collection the front-facing treatment it deserves.

3branch's face-out displays keep spaces relevant & engaging. Designed with a shelf edge return that aligns to the front edge of the existing shelf. These displays **enhance visibility, encourage browsing, facilitate engagement, & increase circulation.**

The angled design presents books face-out with a merchandising approach that encourages library patrons to discover & select materials more naturally.
