General Information

Skware Tables offer an aesthetically striking, highly practical and timeless look recognizing the changing dynamics in libraries. Welded steel frames provide strength and have a powder coated finish. Skware Tables are infinitely customizable when considering sizes, materials and accessory options. ***Please contact 3branch customer service or your local library specialty dealer to discuss alternatives for your project.***

Skware Standards:

Worksurface is 1" thick and is flush with the frame (approximately 1/16" overhang)
Standard laminates available from Wilsonart, Formica, Pionite and Nevamar
1/4" reveal between frame and top
Welded steel table frames with adjustable glides
Frames have a powder coated finishes--see Skware Collection Finishes for options

Skware Options:

Power/data and wire management accessories
Dividers and privacy screens
Casters available on certain items
Quartz, solid surface, wood veneer and other worksurface materials also available

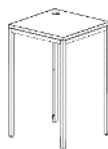

OPAC TABLES
