

2025 Skware Table Specifications

General Information

Skware Tables offer an aesthetically striking, highly practical and timeless look recognizing the changing dynamics in libraries. Welded stainless steel table frames provide strength and are available in brushed stainless steel. Skware Tables are infinitely customizable when considering sizes, materials and accessory options. **Please contact 3branch customer service or your local library specialty dealer to discuss alternatives for your project.**

Skware Standards:

Welded stainless steel table frames with adjustable glides
Frame finish is brushed stainless steel
Worksurface is 1" thick and is flush with the frame (approximately 1/16" overhang)
1/4" reveal between frame and top
Standard laminates include Wilsonart, Formica, Pionite and Nevamar

Skware Options:

Power/data and wire management accessories
Dividers and privacy screens
Casters available on some sizes
Quartz, solid surface, wood veneer and other worksurface materials also available
Powder coated finish available with nominal upcharge. Call for pricing
