

## GENERAL INFORMATION

Maker Max Tables are durable, functional work tables designed for crafting and creating in program spaces. Welded and powder coated steel table end frames provide strength. Heavy-duty casters provide mobility. Work surface heights include 29", 36", and 42". Tables are unassembled and ship flat.

## Product Standards

- Worksurface options include laminate, maple butcher block, and phenolic resin.
  - Laminate worksurface is 1-1/4" thick with PVC edging.
    - Standard offerings from Wilsonart®, Formica®, Pionite®, and Nevamar®
    - Edge band: coordinating standard colors
  - Maple butcher block is 1-1/2" thick solid maple hardwood. (select maple tops are 1-3/4")
  - Phenolic resin top is 1" thick phenolic epoxy resin.
  - Solid surface and quartz are also available. Contact 3branch for options.
- Worksurface overhangs table frame 1-1/2" on all sides
- Powder coated frame available in Platinum Metallic, Black, White and Silver
- Heavy duty locking casters

## Options

- Non-standard RAL colors available for 5% upcharge. Refer to product finishes and contact 3branch for pricing.
- Levelers/glides available in lieu of casters

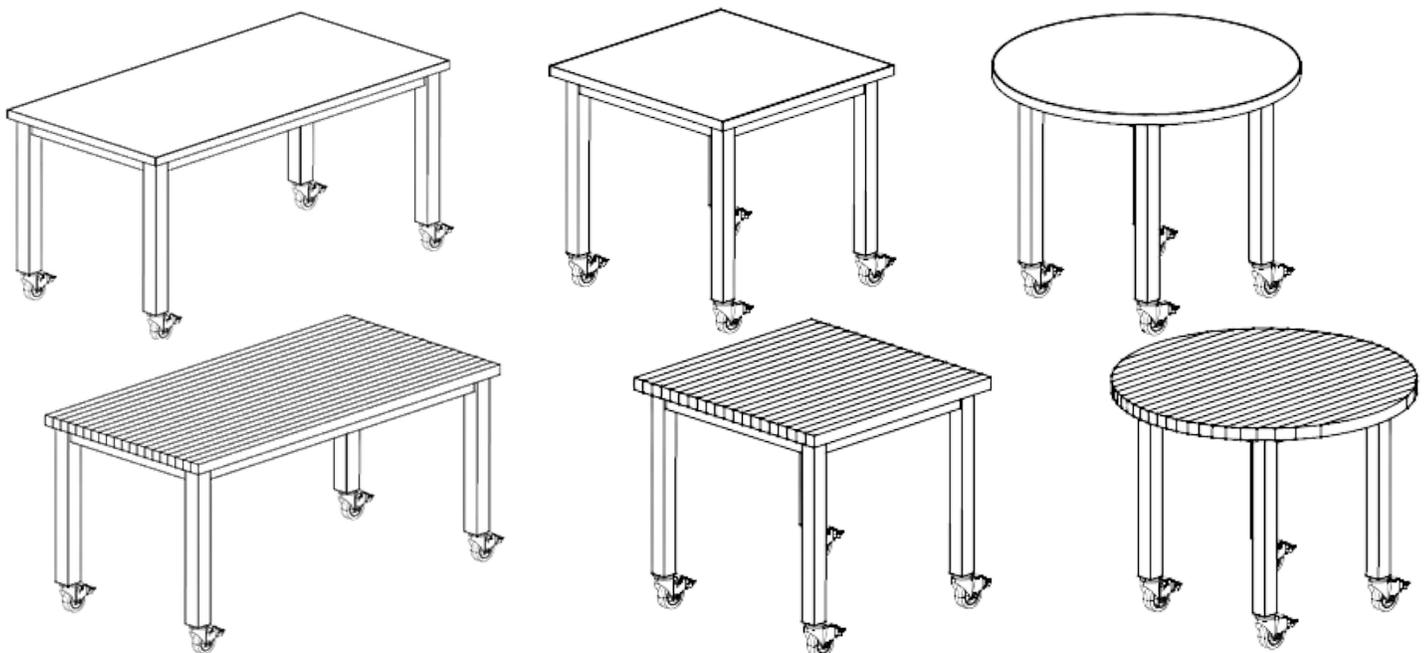

## Ordering Guidelines

### Select overall size, height, and worksurface material

- Note laminate selection for top and edge band preference, or note phenolic resin color.

**Standard lead time:** 10-12 weeks from PO and signed/approved drawings.
