

GENERAL INFORMATION

Wedge Classic Tables are individual, mobile workstations with lockable casters, available in 29" and 26" heights. The unique, soft triangle shape allows for multiple configurations in linear or non-linear arrangements. Wedge Classic Tables have round, powder coated legs, a grommet, and include wire management hooks. Wedge Privacy Tables have a one-piece 10" high frosted acrylic divider which wraps around the table edge and is secured to table top with brushed stainless brackets. Options include leveler glides and power units.

QUANTITY PRICING

3branch offers tiered pricing based on order quantity. Please contact 3branch customer service or your local library specialty dealer to request a quote.
