

GENERAL INFORMATION

A merchandising display system for paperbacks, magazines, DVDs, and board and picture books. Available in several configurations for customization, flexibility, and uniformity, including: **magbox™**, **magbrowz™**, and **magstak™**.

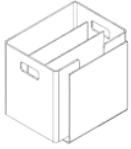

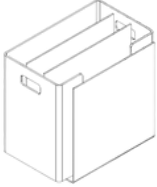

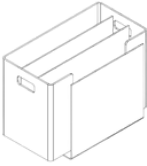

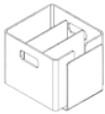

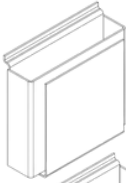

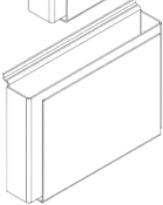

- Crafted from crystal-clear, cast acrylic. Made in the U.S.A.
- Matte finish for non-glare quality with polished edges.
- Easy to install. No tools or new shelving required.

magbox

The magbox™ display system is a user-friendly and attractive storage solution that allows easier browsing by placing periodicals front and center. Available in standard, large, newspaper and mini sizes. Standard and newspaper sizes are available for slatwall display. Select items are sold ONLY in case pack quantities.
