

# Kurve Collection

**3branch**  
product design solutions

## kurve computer table

Compact footprint with plenty of room for sharing.

# Simple Uncluttered Grouping for Computer Stations

3branch's kurve computer tables are perfectly **suited for solo work or collaboration**. Tables are compact, yet the round shape offers room for two or three to gather at each computer station.

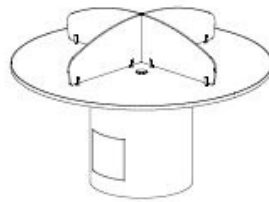

Choose the size, height, finishes, & options to design the perfect kurve computer table!

**Tops are available in three diameters: 48", 60", & 72"**

**Bases are available in three heights:**

26" junior height

29" standard height

36" counter height

## Finishes

Laminate is standard, wood veneer & solid surface tables tops are optional.

## Privacy Panels

Frosted 3/8" thick acrylic screens are optional.

## Wire Management

All drum bases come standard with built-in access for cord & power management. Includes four grommets & two power strips.

## Seating

Ottomans for junior height are lightweight & can be tucked away & rearranged easily.

## Uncluttered & Compact
