

maker classic

From classroom to studio - a table that fits in.

The Original Maker Classic Table

3branch's maker classic enhances maker program experiences with an original fully-welded stainless steel base & fully customizable accents! Select the size, height, & finishes from many standard offerings or customize to fit your space and needs.

Whether a dedicated room or shared area, maker classic tables **provide an inviting, flexible, & functional maker environment.**

Features & Accessories:

- Butcher block, high-pressure laminate, phenolic resin, quartz, or solid surface
- Heavy-duty total-lock casters or optional adjustable levelers
- Integrated power &/or wire-management
