

instructors table

Equipped for every lesson.

A Smart, Functional Hub for Instructional Spaces

3branch's instructors tables are a versatile, **front-of-class workspace designed to support small-group instruction, hands-on learning, & demonstrations.** It features a generous overhang for maximum table space.

With customizable finishes & configurations, the instructors table fits seamlessly into maker spaces, class rooms, or labs. Standard storage configurations include drawers, cabinets, and open storage. **Casters allow for easy mobility and is sized to seamlessly fit through standard doorways.** Perfect as an anchor point in instructional settings, it combines functionality with clean, modern design.
