

PRODUCT FEATURES

A shelving end panel and an activity panel combined into one durable, engaging, and fun panel offering maximum fun and functionality.

- Includes a variety of play surfaces and activities to enhance play-ability.
- Crafted in the Midwest using Baltic Birch construction.
- Easily secured to shelving with your existing steel end panel brackets.
- Adjustable levelers for stability and subtle height adjustments.
- Available in several sizes to meet common shelving configurations.

play end panel configurations

Ball Drop (BD) - 1" acrylic rods, acrylic dividers, both in an attractive array of fun colors, and a clear acrylic cover with pre-drilled holes. Includes starter set of 6 plastic balls.

Color Wheel (CW) - 21" or 28" diameter spinning wheel with precision ball bearing hub, mounted to multi-color laminate panel.

Building Brick (BB) - High-impact plastic plates compatible with LEGO® and DUPLO® bricks. (Note: building toy accessories not included.)

Magnetic (MG) - High-pressure laminate panel with smooth magnetic surface. Standard color is white, non-standard colors to be quoted upon request.

Felt (FL) - Durable felt surface bonded to rigid panel backing. Standard color is blue, non-standard colors to be quoted upon request.

Funhouse Mirror (FM) - Shatter-resistant acrylic mirror with playful distortion curves.

Laminate (LM) - High-pressure decorative laminate surface in durable finish.

Pegboard (PB) - Perforated hardboard panel with evenly spaced holes for pegs and accessories.

Hook & Loop (HL) - Loop fabric surface designed for use with hook-backed blocks, toys, and craft materials. Standard color is black, non-standard colors to be quoted upon request. (Note: compatible with Velcro® accessories, not included.)

Sensory Tube (ST) - 21" or 28" diameter spinning wheel with precision ball bearing hub, featuring set of 4 fidget tubes. Standard color is white, non-standard colors to be quoted upon request.
